

Watonga Public Schools has an opening for a Middle School / High School Language Arts teacher. Watonga is a one-to-one technology district; all of our teachers have Smart Interactive Boards and all of our students have Chromebooks. We have just moved into a brand new high school building this school year. Please send a cover letter, resume, and copy of current Oklahoma teaching certificate to Principal David Lorenz at dlorenz@watonga.k12.ok.us. You can also reach Mr. Lorenz at 580-623-7362. EOE.
