

Watonga High School has an opening for a Family and Consumer Science (FACS) teacher for the 2018-2019 school year. Watonga is a very progressive school district which has adopted a 1-to-1 environment. All of our students grades 6-12 have Chromebooks. Each of our classrooms has a brand new Interactive Smart Panel. We moved into a brand new school just last year, which includes a spacious, state-of-the-art FACS room. Watonga Public Schools is happy to offer a \$1,500 signing bonus for new hires for the 2018-2019 school year. Please send cover letter of interest, resume, transcripts, and copy of current Oklahoma Teaching Certificate to principal David Lorenz at dlorenz@watonga.k12.ok.us. Mr. Lorenz may also be reached at 580-623-7362. EOE.
