PHILOSOPHY AND OBJECTIVES

Watonga Public Schools recognizes we live in a changing environment where the amount of information increases daily. We see it as our responsibility to provide all of our students with the opportunity not only to learn, but to acquire the ability to find information. We see each student as an individual who needs certain life skills to function in a diverse society without losing that individuality. Each day we strive to see that every individual grows mentally, physically, and aesthetically to the best of his/her ability.

We accept the responsibility of aiding the development of each student into an adult who can think logically and learn continually, and thus be able to participate confidently while contributing meaningfully to our world. It is from this responsibility that we have developed the following goals:

To improve student academic achievement.

To insure that students, according to their own abilities, develop proficiency in the basic academic competencies. These areas include, but are not limited to (1) reading, (2) math, (3) language, both English and foreign, (4) science, (5) social studies, (6) business education, both in the regular classroom and vocational, (7) computer skills, and (8) the history and government of the United States.

To insure that all students be given the opportunity to acquire the knowledge of the arts and from that develop their own individual creativity.

To insure that all students are exposed to a wide range of career options both in the regular classroom and vocational whereby they may acquire the ability to make intelligent decisions. Thus, they will become independent and productive citizens and find self-satisfaction in the world of work.

To insure that all students are aware of their citizenship responsibilities in a democratic society.

CURRICULUM REVIEW

The Watonga Elementary School's curriculum is driven by the Oklahoma Academic Standards. These standards may be viewed in full on the Oklahoma State Department website sde.ok.gov/sde/.

ANNUAL NOTIFICATION

The Watonga School District hereby notifies each student and his/her parents of their right to inspect and review the student education records under the Federal Family Educational Rights to Privacy Act.

Rights:

The right of a student's parents or eligible student to inspect and review the student's education records.

The intent of the Watonga School District is to limit the disclosure of information contained in the student's education records, except: (1) by the prior written consent of the student's parent or the eligible student, (2) as directory information, or (3) under certain limited circumstances, as permitted by the FERPA.

The right of the student's parent or an eligible student to seek to correct parts of the student's education record which he or she believes to be inaccurate, misleading, or in violation of student rights. This right includes the right to a hearing to present evidence that the record should be changed if the district decides not to alter it according to the parent or eligible student's request.

Any person has the right to file a complaint with the Department of Health, Education, and Welfare if the Watonga School District violates the FERPA.

Parents and eligible students should go to the principal's office to obtain copies of the policy and information as to the correct procedure to follow in requesting action about a student's record. Copies of the policy are located in the Elementary Principal's office, Middle School Principal's office, the High School Principal's office, and the office of the Superintendent.

The district will arrange to provide translations of this notice to non-English speaking parents in their native language.

Outlined below are changes in the No Child Left Behind that do not amend FERPA, but relate to the disclosure of personally identifiable information from students' education records.

Suspension and expulsion disciplinary records:

- Section 4155 of the Elementary and Secondary Education Act of 1965 (ESEA), 20 U.S.C. 7165, as amended by the NCLB, requires that each State have "a procedure in place to facilitate the transfer of disciplinary records, with respect to a suspension or expulsion, by local educational agencies to any private or public elementary school or secondary school for any student who is enrolled or seeks, intends, or is instructed to enroll, on a full- or part- time basis, in the school" no later than January 8, 2004. LEAs should include a notice in their annual notification of rights under FERPA that they forward education records to other schools that have requested the records and in which the student seeks or intends to enroll (34 CFR 99.7 and 99.34 (a)(ii)).

The Watonga Elementary School does forward education records, including discipline, to schools that have requested the records of the student seeking enrollment.

PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA)

Statute: 20 U.S.C. 1232h. Regulations: 34 CFR Part 98. PPRA affords parents certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

 3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.
- *Inspect, upon request and before administration or use* –

 3. Instructional material used as part of the educational curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law.

Watonga Public Schools has developed a policy in order to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. Watonga Public Schools will directly notify parents of these policies in our handbook annually. Watonga Public Schools will notify parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. Watonga Public

- Any non-emergency, invasive physical examination or screening as described above.

After the parent or eligible student has been notified, he or she will have two weeks to advise the school district in writing (a letter to the school superintendent's office) of any or all of the times they refuse to permit the district to designate as directory information about the student.

At the trial of any person charged with violating the provisions of this section, the attendance records of the child or ward may be presented in court by any authorized employee of the school district. (70-10-105)

Oklahoma State Law Section 232. Records of Attendance of Pupil.

It shall be the duty of the principal or head teacher of each public, private, or other school in the State of Oklahoma to keep a full and complete record of the attendance of all children at such school and to notify the attendance officer of the district in which such school is located of the absence of such children from the school, with the causes thereof, if known; and it shall be the duty of any parent, guardian, or other person having charge of any child of compulsory attendance age to notify the child's teacher concerning the cause of any absences of such child. It shall be the duty of the principal or head teacher to notify the parent, guardian, or responsible person of the absence of the child for any part of the school day, unless the parent, guardian or other responsible person notifies the principal or head teacher of such absence. The attendance officer and teacher shall be required to report to the school health officer all absences on account of illness with such information respecting the same as may be available by report or investigation; and the attendance officer shall, if justified by the circumstances, promptly give to the parent, guardian or custodian of any child who has not complied with the provisions of this article oral and documented or written warning to the last known address of such person that the attendance of such child is required at some public, private or other school as herein provided. If within five (5) days after the warning has been received, the parent, guardian or custodian of such child does not comply with the provisions of this article, and then such attendance officer shall make complaint against the parent, guardian or custodian of such child in a court of competent jurisdiction for such violation, which violation shall be a misdemeanor. If a child is absent without valid excuse four (4) or more days or parts of days within a four-week period or is absent without valid excuse for ten (10) or more days or parts of days within a semester, the attendance officer shall notify the parent, guardian or custodian of the child and immediately report such absences to the district attorney in the county wherein the school is located for juvenile proceedings pursuant to Title 10 of Oklahoma Statutes. (70-10-106)

ABSENCES

Parents are requested to communicate with the office and notify the school of their child's absence. Parents must notify the school on the day of the absence or send a note on the following day.

After a student misses four days in a four-week period, parents will be asked for a doctor's verification. Blaine County has established a truancy court. If a child is absent without a valid excuse four (4) or more days or parts of days within a four (4) week period or is absent without valid excuse ten (10) or more days or parts of days within a semester, the school is required by law to notify the District Attorney. Upon receiving notice, the District Attorney will generally place the case on the Truancy Docket although the law gives the District Attorney other options.

In the event a student is absent from school, it becomes that student's responsibility to make up homework or tests. Generally, the work missed must be made up at the rate of one additional school day for each day of absence. For example, if a student was absent for two days, that student would have two days to make up and turn in that work. However, a long standing homework assignment or a test that was scheduled in advance must be taken immediately upon returning to school. For example, a student who is absent on a Friday, and Friday is a normal test day, can expect to be required to take the test on the first day he/she returns to school. Exceptions may be granted by the instructor. Zeroes will be recorded for tests and homework that is not completed properly and on time.

If a student is absent from school they are not eligible to participate in that days' afterschool activities.

If students come to school after 10:00 a.m. or leave before 1:30 p.m. they will be counted absent for ½ a school day.

Schoolwork may be picked up by the parents when students are absent during the school day after 2:20 p.m. This allows teacher's time to prepare work and get the work to the office without interrupting their daily teaching.

TYPES OF ABSENCES

School activity absence – This is an absence due to school sponsored activity which is supervised by a school appointed sponsor. Students may not miss any one class more than (10) ten times during the school year for school activities.

Students who are academically ineligible, who have or will exceed the ten-day rule, or who have excess absences, are not permitted to attend the activity. The school sponsor is responsible for following these policies and turning the student absent notices in to the office before departing for the respective activity.

Excused absence – Doctor's note presented to the office.

Unexcused absence – All other absences.

Right to appeal absences – If a student accumulates absences in excess of ten times and believes special circumstances exist which should be considered, he or his parent may request a hearing for consideration of the granting of credit. Such a request must be in writing and presented to the building principal.

The student's hearing panel (consisting of the principal, counselor, and each of the student's classroom teachers) will schedule a hearing when classes are not in session on a regular school day. The student must be allowed a minimum of five school days following notification of the hearing date in order to gather evidence, (such as hospital records, doctor report, etc.) contact witnesses, and prepare his case.

The student will be allowed to present his case before the hearing panel. Following the presentation of evidence, the hearing panel shall be allowed executive session to discuss and study the case. Following the executive session, each panel member shall cast a ballot for or against the granting of credit. The ballots will be counted in the presence of the student. The granting of credit shall be determined by majority vote of the panel. In case of a tie vote, credit will be granted.

The decision of the hearing panel shall be final and no other agency within the structure of Watonga Public Schools shall have the authority to overturn that decision.

Appropriate notation will be made for elementary, middle level or high school level students satisfactorily completing a 9-12 high school curriculum area. Completion will be noted with a "P" for passing. This unit will count toward meeting the requirements for the high school diploma.

In keeping Board of Education Policy in regard to equal educational opportunities for all students, the following recommendations have been adopted:

1. All students, regardless of race, sex, or handicapping condition, will have equal opportunity to enroll and participate in any educational program or activity sponsored or conducted by the Watonga Public Schools.

TRANSPORTATION

Free transportation in district-owned buses is furnished to students who reside one and one-half miles or farther from the school. All buses used by the Watonga Schools meet the requirements of the State Board of Education and operate in compliance with their regulations. All students are urged to regard the bus as a classroom as far as conduct is concerned. Safety is stressed at all times.

The driver of the bus is a school official and has the same authority as a classroom teacher over the students in his/her care. After a student gets on the bus, he/she is under the supervision of the bus driver and is expected to help him

maintain discipline in order to prevent serious accidents. After getting on the bus, no student is to depart from the bus until it reaches school in the morning and arrives at the designated place of departure for him/her in the evening, except by special permission from the driver. A note signed and dated by the parent will be necessary for permission to be given, and must be turned in to the office. The student will be given a bus pass to turn in to the bus driver from an office official.

SCHOOL BUS PASSENGERS

Bring a note signed by a parent if you are to do anything other than ride your usual bus. The note is due the day of the change and a pass will be issued by the office.

The following are bus guidelines for all students:

1. Be on time to catch the bus.
2. Always use the handrail when getting on or off the bus.
3. Be seated immediately.
4. Stay seated at all times.
5. Stay out of the aisle and keep the aisle clear at all times.
6. Litter is illegal; therefore, dispose of trash properly.
7. Food or drinks are not to be consumed on the bus.
8. Use quiet voices on the bus.
9. Complete silence is needed at railroad crossings.
10. When unloading to cross the street or road, always walk in front of the bus, and wait for the driver to motion you across the street.
11. Always walk in front of the bus when it is loading or unloading.

WALKERS

Those students not riding a bus should not arrive before 8:00 a.m.

CROSSWALKS

Parents, students, and teachers should observe pedestrian crosswalk laws. Please do not park, block, or leave cars unattended in school crosswalks. The safety of the children is very important.

BICYCLES AND SCOOTERS

The rider should know and observe all traffic laws; this includes not riding on sidewalks. Bicycles and Scooters are to be parked in the racks at the front of the school building upon arriving at school and not ridden again until after school. The school will not be responsible for stolen bikes or scooters.

MEDICINE

School officials can only administer medication after receiving written authorization from the parent or guardian of the student. This medication must be turned in to the office when the student arrives at school. Any prescription or over the counter medication will need to be in the original container with the directions of how to administer the medication. All medications requests will need a parent or guardian signature. The written authorization of the parent or guardian that permits the school to administer medicine to the student will be kept on file by the school.

Cough drops are to be accompanied by a parental note and will be kept in the classroom.

If your child is taking medication or has changed medication please inform the school so the students' progress can be monitored by the classroom teacher.

An emergency plan for students with asthma will need to be filled out by the parent and Doctor. This form needs to be picked up by the parent at the initial parent/teacher conference.

HEAD LICE

A school official will verify reports of head lice. Upon verification, all students in the infested child's classroom and immediate family are to be examined. **Each infested student will be sent home immediately. Students may return to school upon presentation of certification of treatment and when all nits are removed. A school official issues such certification.** If your child is sent home with head lice or nits, the absence will be considered excused only one time per semester. If your child is sent home again that same semester, the absences will be counted as unexcused.

CHILD FIND

Public laws provide that all disabled children ages 0-21 are entitled to free and appropriate education.

Children with specific learning disabilities, deafness, or hearing impairment, autism, deaf-blindness, mental retardation, multiple disabilities, orthopedic impairment, their health impairments, serious emotional disturbance, speech or language impairment, traumatic brain injury, visual impairment, or developmental delays may qualify for assistance. If you know of a child that needs assistance contact Watonga Public Schools, P.O. Box 310, Watonga, OK 73772, ATTN: Special Education Director. All information is confidential.

SPEECH/LANGUAGE THERAPY SERVICES

The development and stabilization of normal patterns of oral communication is a most cherished goal in today's society, and attention must be focused early on the way children speak. Inaccurate speech and/or language patterns can ultimately be deterrents to a child's ego and academic success. Many children might then benefit from the learning experience provided through Watonga's speech and language therapy program. Individualized or small training sessions are thus made available to those students for whom the therapy is deemed necessary by the trained Speech Pathologist.

Mc Kinney-Vento Homeless Assistance Act

Under this law, your district's designated homeless student liaison must provide public notice of the education rights of homeless students. The district is required to disseminate the notices in places where homeless students receive services, such as schools, family shelters and other programs that make food or meals available to the homeless population.

STUDENT INSURANCE

It will be the policy of the Board of Education to select a reputable company through which patrons may purchase accident insurance for their children at a minimum cost. The purchase of the insurance will not be compulsory but entirely at the discretion of parents. At no time can the Watonga Public School System be responsible for the cost of an injury to students.

FIRE DRILLS

The signal for fire drills will be a loud buzzing sound from the fire alarm system. Students will exit the room single file. A teacher will take students away from the building. The students should stay in line and walk, not run, to their designated area. Teachers will call student roll after they have arrived at the designated area.

TORNADO DRILLS

A Tornado warning means a tornado has been sighted. The alarm system will alert the building to move to the designated area. Classes will move immediately to elementary safe room. Teachers will call student roll after they have arrived at the safe room.

TEXTBOOKS

Parents, help your child by seeing that he/she does his/her homework and takes his/her books back to school the next day. Books that are lost or destroyed will need to be paid for before the student receives another book or his/her report card.

REPORT CARDS

Report cards will be held at the end of the year until all charges have been paid.

Parent/Teacher conferences will be held following the first and third nine-week periods. Report cards will be sent home at this time with parents.

If you have any parental concerns please make arrangements in advance for a conference with your child's teacher. A time will be set up when the teacher is not on duty or teaching in her classroom.

The teacher is expected to send a deficiency report to parents during the fifth week of each nine-week period for those students who are failing or nearly failing a subject area and for those students who are not working up to their potential.

STUDENT RETENTION

The board of education will follow policy **EIA-R4** in the selection of students to be retained in their current grade. A copy of this policy is on file at the Elementary, Superintendent's office, and on the school website.

HONOR ROLL

There will be a Principal's Honor Roll for students making all A's and a Teacher's Honor Roll for students making all A's and B's for semester.

PARTIES

The following are parties for specific grade levels:

- 4 year-olds – Grade 2; Halloween, Christmas, Valentine's Day, and Easter.
- Grades 3, 4, & 5; Halloween, Christmas, and Valentine's Day.

Parties will be at the discretion of the classroom teacher. Homeroom teachers will decide the method for providing treats for their classes. In some cases, homeroom mothers will be used to coordinate parties.

We ask that students not bring party invitations to school or hand them out during school hours.

TELEPHONE

Due to the large school enrollment, some limitation must be placed on the use of the school telephone. Students must have permission from a teacher and the office personnel to use the school telephone.

Outgoing calls are to be made only in cases of emergency, such as illness or inclement weather. Permission to visit a friend, calling for homework or forgotten items does not constitute an emergency.

Recommendation is made that the parent and child work out an agreement at the beginning of the school year as to where the parent will meet the child during bad weather, thus saving some phone calls.

Students will be called to the telephone only in cases of emergency. **We discourage parents from calling their children at school and asking office personnel to deliver messages, unless it is an emergency. Office personnel will define an emergency.**

Parents please try to make arrangements for students' after school events prior to the school day. NO MESSAGES WILL BE TAKEN AFTER 2:45.

No cell phones or IPOD's will be allowed out at school. They must remain in student's backpacks and turned off or on silent. They will be taken and turned into the office if seen or heard and must be picked up by the parent.

COMPUTER/INTERNET ABUSE

Watonga Schools require that students and parents sign a Computer/Internet access conduct agreement or the student will not be allowed to use school computers. Students will not view, send, change computer settings, or email unauthorized messages.

LOST AND FOUND

All articles found are to be placed in the lost and found box in the building. Please check the box when you lose something. Many articles are not claimed. Articles not claimed will be given to some charitable organization at the end of the school year.

Please use name labels or some form of identification on items of clothing so that the child recognizes it.

MONEY

When it is necessary to send money to school, please put it in an envelope with the child's name, the amount enclosed, and what the money is for. Please send correct change.

SCHOOL LOCKERS/CUBICLES (CUBBIES)

School administrators must have access to school lockers/cubbies in order to properly supervise the welfare of students. Although students have privacy rights in locker contents in relation to other students, no such privacy rights in locker contents exists in relation to the school administration. Students are reminded that lockers are school property, and the school maintains the right to insure lockers are properly cleaned and do not contain items that should not be on school property. Students should not keep any items in lockers/cubbies that violate school policy. Lockers may periodically be opened and examined by school officials at any time. This same policy applies to backpacks, bags, etc.

POLICY ON DISCIPLINE AND CONTROL OF STUDENTS

All students enrolled in the Watonga Public Schools will be expected to abide by the rules and regulations set forth by the Administration, Teachers, and Board of Education. This includes being transported to or from school or school sponsored activities, in district-owned transportation equipment. Any student that is found to be disobeying the rules or showing disrespect to any teacher, school personnel, or school property will be subject to disciplinary action. Each teacher will have his or her own classroom rules. Students and parents will sign an agreement that they understand and have received a copy of the classroom rules.

Parents/Guardians need to encourage their child to abide by all classroom rules and honor the schools' discipline policy. The disciplinary action to be taken will depend on the severity of the violation and the number of times the student has broken regulations. The student may accept the punishment, as designated by the administrator and/or teacher. If punishment is not accepted, the student may have the option of corporal punishment or being suspended from school until he/she returns with his/her parent/guardian for a conference with the administrator or the teacher involved. If at this conference, the parent/guardian and administrator cannot arrive at a mutual agreement, as to the punishment the student is to receive for his/her offense, the student will be suspended from school until an agreement can be reached. On long term suspension, the parent/guardian may appeal, in writing, to the Board of Education and a hearing will be held before the Board of Education in accordance with the laws of the State of Oklahoma.
