2018 OKLAHOMA SCHOOL TESTING REPORT

Parents and/or Guardians will be receiving your student's 2018 Spring Oklahoma School Testing Report in October. The below link provides you with information that will help you understand the information that is included on that student report.

Parent Interpretation Guide

In addition to having student reports this year, the Oklahoma State Department of Education and our testing vendor, Measured Progress, have designed a **Parent Portal** so that parents/guardians will be able to access these reports. This enables you to view your student's progress and strengths/weaknesses on the test. The link below will explain a little more about how the scores are used and ways you can help your student. Also, if your student has taken the OSTP anywhere in Oklahoma in previous years, you will be able to view these scores as well.

Parent Portal Resource: Giving Students a Competitive Edge

https://oklahoma.onlinehelp.measuredprogress.org/wp-content/uploads/sites/5/2018/09/OSTP_Parent_Portal_Resource.pdf

The link below will take you to the new portal. You will need your student's STN (10-digit number) which is located on the paper copy of the report you will receive and the date of birth to setup your account. A Parent User Guide is also available to help you get started.

Parent/Student Portal
